

WHEN YOUR PET GOES ON THE LAWN, REMEMBER IT DOESN'T JUST GO ON THE LAWN.

Lake Champlain
Basin Program

When our pets leave those little surprises, rain washes all that pet waste and bacteria into our storm drains and roadside ditches. And then pollutes our waterways. So what to do? Simple. Dispose of it properly (preferably in the toilet). Then that little surprise gets treated like it should.

For more information about local watershed groups or the Lake Champlain Basin Program, call 1-800-468-5227 or visit our web site: www.lcbp.org. The Lake Champlain Basin Program thanks the Washington State Department of Ecology, King County and the cities of Bellevue, Seattle and Tacoma for this poster design.
